Me and My Shadow

PATCH THEATRE

BRIEF SYNOPSIS:

Me And My Shadow is about the fanciful escapades of a girl making friends with her shadow. Children love to play with shadows, but making friends with your shadow can be a tricky business. There are things to sort out, problems to solve, adventures to have and laughter to be shared.

Me And My Shadow is a gentle magical visual poem for children, using paper, light, shadow, colour, water, music, sound and words to create a world of play where the imagined becomes real. With fantastical imagery, quirky physical performances and an intriguing score, Me And My Shadow ignites the imagination in a poetical experience that explores the trials and joys of friendship.
